

ISWM-TINOS:

Development and implementation of a demonstration system on Integrated Solid Waste Management for Tinos in line with the Waste Framework Directive

Deliverable 6-41(+):

Oral Presentations given to ATHENS 2014, the 2nd International Conference on Sustainable Solid Waste Management, 12th – 14th June 2014, Athens, Greece

Action 6: Dissemination activities

Activity 6.7: Development and distribution of informative material, leaflets, brochures etc

13.06.2014

Prepared by:

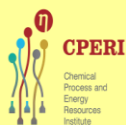

Municipality of Tinos

National Technical University of Athens

Università degli studi di Verona

Centre for Research & Technology Hellas/Chemical Process & Energy Resources Institute

LIFE+
Environmental Policy
& Governance

The Project is co-financed by LIFE+, the EU financial instrument for the environment.

Acknowledgements

The ISWM-TINOS team would like to acknowledge the European financial instrument for the Environment (LIFE+) for the financial support.

Two oral presentations were given in the “ATHENS 2014”, the 2nd International Conference on Sustainable Solid Waste Management (website: <http://www.athens2014.biowaste.gr/>), during Friday, 13th June 2014, in Athens, Greece. The first one was presented by Ms. V. Panaretou and the second one by Prof. D. Bolzonella, respectively.

1. Contents

- 1.1 **V. Panaretou, D. Malamis, K. Moustakas, K. Valta, M. Margaritis, M. Loizidou**
